# The Charlotte Woodcarvers Club

# Come Join the Fun

The Charlotte Wood Carvers Club was founded in 1982 by an initial group of 12 members. We welcome carvers of all levels and abilities, especially beginners.

Most of our members are amateur carvers, but many have years of experience and are able to carve at a professional level. Our purpose is to share our knowledge and experience with others and to promote wood carving as a craft and art form, but most of all to have fun pursuing what we enjoy.

The club will frequently have nationally known carvers come to Charlotte for classes in various types of carving. Our members also occasionally share their knowledge with short carving seminars at our meetings. It is a great place to learn.

For over 25 years our club has sponsored the annual Charlotte Showcase of Wood Carvings. This competition offers carvers at various levels from all over the region a chance to come together for a weekend of prizes, fun and sharing. Vendors are on hand with carving knives and other

supplies and equipment for sale. This event is typically the 3rd weekend of February each year. Visit our website for more current information.

If you are 16 or older, we encourage you to visit one of our meetings to learn more about The Charlotte Wood Carvers Club. If you come to carve, bring a knife and a glove to protect your non-carving hand. Safety first! Enjoy the fun!

## Meeting Time and Place

We meet the third Monday of every month at the Charlotte Mecklenburg Senior Center, 2225 Tyvola Road from 6:00 PM to 8:00.
