The Charlotte Wood Carvers Club was founded in 1982 by a group of 12 members. We welcome carvers of all levels, especially beginners. Our members go from amateur carvers to professional level. Our purpose is to share knowledge with others and to promote wood carving as a craft and art form, but most of all to have fun pursuing what we enjoy.

The club frequently has nationally known carvers come to Charlotte for classes in various types of carving. Our members also share their knowledge with short carving seminars at our meetings. It is a great place to learn.

Our club sponsors the annual Charlotte Showcase of Woodcarvings. This competition offers a chance to come together for a weekend of prizes, fun and sharing. Vendors are on hand with carving knives and other supplies for sale.

If you are 12 or older, we encourage you to visit one of our meetings to learn more. If you come to carve, bring a knife and a glove to protect your non-carving hand. Safety first!
