## A Note about the Show – 2008

A special “thank you” to all the club members who came to help at the show and to all who entered their

carvings. Without support from club members the show could not go on.

Except for a few glitches (most already addressed) the show went well. The feedback from the evaluations was very positive. The suggestions have all been discussed and some will be implemented next year. The few criticisms have also been discussed and most already addressed. Thanks to all who did evaluations because it helps us to better our subsequent shows.

### Show stats:

We had 82 people who entered 527 carvings. The number of entrants was down a little but the number of carvings was up by over 100. The competition was stiff!

The raffle had 55 donations – our biggest ever – WOW! Thanks to everyone who participated.

The anniversary celebration was fun and it was great to be able to honor our founders. Thanks to them for putting the club on a solid foundation and for their constant support.

My sincere thanks to all –  
**Judy Leftwich**
