Presidents Corner

We hope to have some fun events planned for the club this year. Your board members are working to bring fun & informative programs to you each month, partnering up with Klingspor to build awareness of woodcarving & our club to their Charlotte area customers and other functions I hope you will find enjoyable. We need your input, so please let your board members know your thoughts and ideas. Judy is already working on next year's Showcase. We will not beat St. Ann's but should have a new location to tell you about soon. Remember that we meet every 3rd Monday at 6:00 at the Senior Center. See ya there!

Monday Evening Carving Sessions

Once again, we will have the opportunity to carve on Monday evenings here at the Senior Center. To keep this simple, I'll just outline the very basics, and if you would like additional information as to how we arrived at the cost, please see me and I'll give you a complete breakdown.

Your standard club membership includes one meeting, the third Monday monthly. Here at the Senior Center. This meeting may consist of a program, a business meeting or just a carving session.

If you would like to carve on the remaining Monday evenings, there is a cost and the cost is to you as an individual. The cost this year will be the same as last year, \$38.00 for the club's entire fiscal year. It would be greatly appreciated if you would pay by check rather than cash. Please make your check payable to CHARLOTTE WOODCARVERS CLUB and note it for MONDAY CARVING.

Your fee is due at this time and should be given to **DANA MIMS**, Treasurer or mailed to the club.
