President's Corner:

We finally have confirmation on The Marion Diehl Center on Tyvola Road for the Showcase of Woodcarving for 2009. As always the event will be the 3rd week of February. I think you will be pleased with the new venue for our show. Most businesses are struggling with the economy right now, so it's an important time to remember the vendors that support our show each year. Please try to make your purchases from them and recommend them to friends. If you are new to the club and would like a vendor contact list, ask at the next meeting and we will make sure you get it. When you place your order, be sure to thank them for supporting our show.

The November meeting will be a time to catch up on some of the carving projects you have started. Bring what you're working on and share it with the rest of the group. There will be some announcements and discussion. November 17th from 6:00 to 8:00 at the Senior Center.

Some of you know we have been working towards emailing this newsletter to those who have given us their email address. The last 2 or 3 months we have been mailing every member a printed copy of the newsletter, as well as emailing all those we have email addresses for. With this newsletter we hope to start cutting back on the printed newsletters by only sending them to those who do not get it by email. We want to make sure all members are getting the newsletter though, so if you or someone you know ever stops getting the newsletter let us know and we will fix the problem.

Thanks to **Barbara Connor**. Some of you may not know Barbara, but she is a founding member of the club. She puts this newsletter together every month for the club, and has been doing it for years.

Her work schedule rarely allows her to come to meetings, but we sure do appreciate what she does for the club. Thanks to **Bill and Judy Dominick** too.

Bill is also a founding member and he and his wife Judy send the printed newsletters out every month as they have for years. Starting this month **Earl Harding** will be in charge of emailing the newsletter after Barbara prepares it. Thanks to these and all the other volunteers that give tirelessly to our club. If you would like to be a volunteer, please get in touch with me. There is always more to be done.
